**EXHIBIT A – APPLICATION FOR CONSENT TO TRANSFER CONTROL AND
PETITION FOR DECLARATORY RULING (“MAIN APPLICATION”)**

The main application will be filed electronically. Applicants do not
attach another hard copy of the main application here.

EXHIBIT B – FOREIGN OWNERSHIP

GC Acquisition Limited is a corporation in formation under the laws of Bermuda and therefore must answer “Yes” to Questions 71-73. However, GC Acquisition Limited notes that it will be in compliance with the direct foreign ownership limits of Sections 310(b)(2) and 310(b)(3) of the Communications Act of 1934, as amended (the “Act”), because it will not directly hold any broadcast, common carrier, aeronautical en route or aeronautical fixed licenses on consummation of this transaction. Upon closing, as this filing makes clear, Global Crossing North American Networks, Inc. (Debtor-in-Possession) will become an indirect, wholly-owned subsidiary of GC Acquisition Limited and will remain the licensee of various common carrier stations. The parties have submitted a Petition for Declaratory Ruling under Section 310(b)(4) of the Act to obtain authorization for the proposed indirect foreign ownership (which is included in Exhibit A to this Application).¹

¹ As the Commission is aware, the instant filing is part of a transaction to transfer control of Global Crossing Ltd. (Debtor-in-Possession) and its FCC-licensed subsidiaries to GC Acquisition Limited. *See In the Matter of Global Crossing Ltd. (Debtor-in-Possession) and GC Acquisition Limited, Application for Consent to Transfer Control and Petition for Declaratory Ruling* (filed Aug. 22, 2002) (the “Main Application”). The Petition for Declaratory Ruling is included in the Main Application, a copy of which is included with this filing as Exhibit A. Concurrent with the instant FCC Form 603 application, the parties are filing separate applications for approval to transfer control of GCL’s other FCC-licensed subsidiaries. They include applications to transfer control of GCL’s subsidiaries holding domestic and international Section 214 authority, submarine cable landing licenses, and wireless licenses.

EXHIBIT C – PENDING APPLICATION

Global Crossing Ltd. (Debtor-in-Possession) ("GCL") and Global Crossing North American Networks, Inc. (Debtor-in-Possession) ("GCNAN") have filed an application for the *pro forma* assignment of private land mobile station WPRT617 from GCL to GCNAN. That application is currently pending (FCC File No. 0001002830). Once the pending *pro forma* assignment is granted, it is the parties' intent to amend the instant transfer of control application to include station WPRT617 as a license whose control will be transferred to GC Acquisition Limited.

In addition, the parties request that the grant of this application include authority for GC Acquisition Limited to control the following authorizations and filings upon consummation of the transaction: (1) authorizations issued to GCNAN prior to the consummation of the proposed transfer; (2) construction permits held by GCNAN that mature into licenses after consummation and which may have been omitted from this application; and (3) applications, notification of minor modifications, and amendments thereto filed by GCNAN and pending at the time of consummation. Such action would be consistent with prior Commission decisions.
